

RICHARD M. NIXON  
12TH DISTRICT CALIFORNIA

Congress of the United States  
House of Representatives  
Washington, D. C.

September 27, 1948

Dear Mrs. Weems:

I am taking this belated opportunity to thank you most sincerely for the splendid work you did in behalf of my primary election campaign. Only the press of heavy responsibilities here in Washington has postponed my letter to you in this regard.

The successful outcome of the campaign speaks for all the time and unselfish effort that was devoted to it by you and others of my supporters in the Twelfth District. It is my earnest hope that my activities as your representative in Congress will justify the work you did and continue to merit your approval.

With kindest regards,

Cordially yours,

*Richard Nixon*
